## THE OTTERBEIN ENCOURAGER

JANUARY 2013

### **Check out these fun facts & trivia about the New Year:**

•According to statistics from the National Insurance Crime Bureau, more vehicles are stolen on New Year's Day than on any other holiday throughout the year.

•The Times Square New Year's Eve Ball came about as a result of a ban on fireworks. The first ball, in 1907, was an illuminated 700-pound iron and wood ball adorned with one hundred 25-watt light bulbs.

•Due to wartime restrictions, the New Year's Eve ball was not lowered in 1942 and 1943.

•Throughout the year, visitors to Times Square in New York City write their New Year's wishes on pieces of official Times Square New Year's Eve confetti. At the end of the year, the wishes are collected and added to the one ton of confetti that showers the crowd gathered in Times Square in celebration of the New Year.

•The top three destinations in the United States to ring in the New Year are Las Vegas, Disney World and New York City.

•According to a survey, 40 to 45 percent of American adults make one or more resolutions each year. The top New Year's resolutions include weight loss, exercise, quitting smoking and better money management. By the second week of January, 25 percent of people have abandoned their resolutions.

•In Italy, people wear red underwear on New Year's Day as a symbol of good luck for the upcoming year.

# PASTOR'S CHAT

**Pastor Nicholas Gleason**

Dear Friends,

I pray this letter finds you well and blessed. My hope is each of you had a joyful holiday season, as you celebrated and enjoyed time with your families. As the holiday season winds down, I'm thrilled to share with you an exciting new change that this New Year will bring Otterbein.

In 2013, Otterbein will begin a new partnership with one of our community's mission organizations, Soup Stop. As many of you know, Soup Stop has been located at the Presbyterian Church for over a decade. Sadly, the ministry will be forced to leave the Presbyterian Church, due to changes in the Presbyterian Church's insurance policy.

Soup Stop has asked if we could host their ministry in our fellowship hall. Our insurance policy does allow this type of program. Soup Stop volunteers will serve their guests between 11:00 AM and 12:30 PM every Monday through Friday. Soup Stop will also host fund-raising concerts at Otterbein periodically throughout the year.

On Sunday, December 9th, 2012, our Church Council approved their request. While there are challenges in hosting any community mission organization, there are also many rewards. Our association with Soup Stop offers a great mission partnership to our community and an incredible opportunity to demonstrate our congregation's heart.

Throughout the fall of 2012, hunger is a concern that we at Otterbein have been daring to confront. There is nothing more gut-wrenching than hearing the cries of children who are feeling the pains of empty stomachs. And sadly, based on every indicator, more and more American families and children are facing food scarcity due to lack of money for groceries.

According to the United States Department of Agriculture (USDA) the number of Americans who lived in households that lacked consistent access to adequate food has soared to 49.1 million, the highest level since USDA began tracking hunger data.

Without a doubt, Otterbein United Methodist Church exists for the primary purpose of introducing people in our community to Jesus Christ – the only One who can eternally satisfy the spiritual needs of the soul. However, Jesus has given us the action items that will be the measures of evaluation on how well we, as His Disciples, follow His mandate:

I was hungry and you gave me something to eat...  
thirsty and you gave me something to drink...  
a stranger and you invited me in...  
I needed clothes and you clothed me...  
sick and you looked after me...  
in prison and you came to visit me...

Truly I tell you, whatever you did for one of the least of these brothers and sisters, you did for me.

(Matthew 25:35-40)

# PASTOR'S CHAT CONTINUED (FROM PAGE 2)

**Pastor Nicholas Gleason**

In no uncertain terms, Jesus calls his followers to a lifestyle of sacrificial mission, giving ourselves with Him for God's redemptive work in the world. As we begin this new partnership with Soup Stop, I encourage our families to do more than simply open up our doors for this ministry. I encourage you to live in the fullness of Jesus' mandate. I want to offer you three ways you can faithfully live out this call as partners with Soup Stop:

## **1) Pray for Soup Stop**

As I mentioned, any move can bring challenges, as well celebrations, not just for us but for the leaders, volunteers, and guests of Soup Stop. Ask God to make this new partnership fruitful. Pray for the leaders that their faithful persistence will deliver changed lives. Pray for the volunteers who deliver Jesus' message of justice and mercy in the form of a hot plate of food and warm fellowship. Pray for the guests of Soup Stop, that they may be fulfilled physically and spiritually, and restored to His perfect image.

## **2) Volunteer at Soup Stop**

As a volunteer at Soup Stop for seven months, I have found it to be very gratifying to do something concrete to alleviate the suffering of neighbors who live in hunger. While What's Cookin' provides the meal, Soup Stop is always looking for volunteers to serve the food and to help keep the serving and kitchen area clean. Volunteering will help you to further witness the heart of Otterbein in front of our community. Volunteering will help you make our community a better place. And volunteering will connect you to others and help you make friends. If you are interested in volunteering, weekly or monthly, let me know.

## **3) Fellowship at Soup Stop**

Even if you are not volunteering, you are invited to simply stop in for lunch. There are no requirements to eat at Soup Stop. And, Soup Stop's Board of Directors has invited all Otterbein families to join them any day to share a meal and friendship with their guests.

Who knows whose heart you might touch for Jesus Christ, whose mind you might fill with hope for Jesus Christ and whose soul you might save for Jesus Christ.

Peace,

Nicholas

# LAY LEADER'S LINE

**Butch Hackett**

Greetings Otterbein Family! Happy New Year! If you are reading this, I can say with 100 percent assurance that the Mayan's were wrong! The world did not end on 12/21/12.

That being said (or in this case; written) it's time that we focus on 2013. Many of us use this month to begin new goals, start healthy habits or stop bad ones. I was reading a devotional by Dave Branon, who is a contributor to the Daily Bread and in it, he writes about a former athlete who had neglected his body too long and began an exercise routine on January 1<sup>st</sup> of last year. The first day, he did several push-ups and went for a light jog. The next day, more push-ups, a few sit-ups, and a longer run. Day 3: exercise and a mile-and-a-half run. On Day 4, the ex-athlete in re-training woke up with a sore throat. Then he did one more exercise: He jumped to the conclusion that exercising was a bad idea. If all he got out of his huffing and puffing was sickness, it wasn't for him.

Let's examine another scenario. A Christian, realizing he has neglected his relationship with God, begins a new spiritual routine of Bible-reading and prayer. But after a few days, some problem arises in his life. What does he conclude? Like the ex-athlete, should he decide that his spiritual quest was a bad idea and that it didn't do any good? Certainly not!

We don't pray and read the Bible to get a perfect, trouble-free life. Pursuing God is not a cause and effect. We do it because it draws us closer in our relationship with the One who is perfect. The pursuit of godliness will not exempt us from trouble. 2 Timothy 3: 12 states, "*In fact, everyone who wants to live a godly life will be persecuted.....*" But a life dedicated to loving and pursuing God is always a good idea. In Hebrews 10:22, it is written, "*.....let us draw near to God with a sincere heart in full assurance of faith ,having our hearts sprinkled to cleanse us from a guilty conscience and having our bodies washed with pure water.*"

Regardless of what is thrown at us, let's challenge ourselves to increase the time we spend with God this year.

**The time we spend with God each day**

**Through prayer and reading His Word**

**Will help us face what comes our way**

**And draw us closer to the Lord. –Sper**

In His Grip,

Butch

**But Let Us Encourage One Another** (Hebrews 10:25)

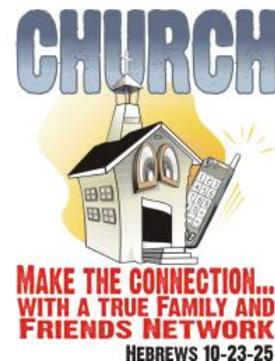

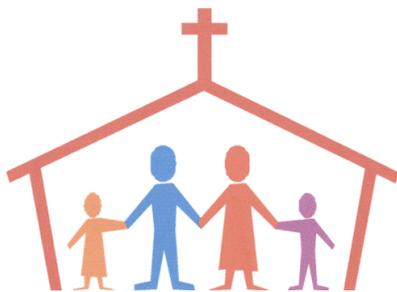

# THE OTTERBEIN HUBBUB!

Submitted by Carolyn Craig

## "The OTTERBEIN HUBBUB"

- **"Hub"** means **"focal point"** ... may our ministry focus always be God-centered!
- **"Hubbub"**, a word for **"noise"**...may we come together, serving in the way God created us to serve, and make **"a joyful noise"** in the process!
- **HUB Leader**... one whose goal is **"H-elping to U-tilize the B-ody"** (of believers... at Otterbein)

- **New Church Library Coming Soon** – Once the holidays are past and the Family Night activities have resumed, the Women's Group will continue with their efforts to set up a new Church Library. The plan is to start a Children's Reading Program that will begin once the library is in order. Watch for more details regarding this program in a future newsletter.
- **Still Wanted: Cookbooks!** Do you gals (or guys) of the church have a cookbook, or 2 or 3, that you no longer use that you are willing to donate to the new church library? If so, you may drop them off in the room off the fellowship hall that is to become the new library. There really is *"method to our madness"*, but you'll have to wait until a future newsletter to learn what we plan to do with our cookbook collection. So, *"stay tuned"* for more details!
- **Wednesday Family Nights** – Be reminded that session two of the Family Night program is to begin on January 9, 2013! Hebrews 10:22-23 puts it nicely: *Let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another.* Thirty or more have been gathering on Wednesday evenings, and we are hoping to see even more of you join us in 2013. Make it a New Year's Resolution! We're sure you will not be disappointed!
